		Getting to FCT

In today's global climate, it is ambitious people like you who will make a difference in the world, transforming businesses, changing the lives of those in need and building better communities for all people.

On and off campus, we are dedicated to not only fostering your ambitions but also ensuring a comfortable transition to life in Canada. When you arrive at FCT, you will be welcomed into an inclusive environment that values all students, all cultures and prioritizes wellness.

Our approach to wellness starts with providing an extensive range of mental health resources and services, including access to counsellors in your preferred language and from your own cultural background. We also ensure that you have support with academics, immigration, accessibility and your search for work opportunities.

Since opening the campus in the Fall of 2022, I have witnessed countless students grow into global citizens and develop talents that will have an impact both locally and on the world stage. I, for one, cannot wait to see you join them.

See you on campus.

Damien Holland

Campus Director

Land Acknowledgement

We acknowledge that the land that Fleming College Toronto is on is the traditional territory of many nations, including the Mississaugas of the Credit, the Anishinaabe, the Haudenosaunee and the Wendat peoples and is now home to many Indigenous people from across Turtle Island. We also acknowledge that Toronto is covered by Treaty 13 signed with the Mississaugas of the Credit, and the Williams Treaties signed with multiple Mississaugas and Chippewa bands.

Fleming College Toronto has settled on this land and recognizes the importance of respecting the voices and history of all Indigenous communities. This territory is within the Dish with One Spoon Wampum Belt Covenant, an agreement between the Haudenosaunee, the Anishnaabe and allied nations to share and care for the regions around the Great Lakes. We are grateful to work on this land.

About the Mural:

Created by the Indigenous artist Tehatsistahawi, this mural adorns the wall outside the library in the main campus, reminding us of Indigenous culture and the interconnectedness of the local community. The right side represents students. The left side portrays the three clans of the Onyota'aka, one of the nations that Tehatsistahawi belongs to. Bold black lines connect both sides, a representation of the relations among the greater community.

WELCOME TO FLEMING COLLEGE TORONTO

Fleming College has strong local, regional, and global ties that make it attuned to the needs of the business community, and therefore the needs of students looking to advance their careers. Now, thanks to a partnership between Trebas Institute and Fleming College, Fleming's most in-demand programs are available in the city of Toronto.

The campus gives students direct access to all the benefits of a cosmopolitan life, including a thriving job market and cultural diversity. This means that students can enjoy food and traditions from their home countries while exploring the breadth of international communities and events the city has to offer.

WHY FCT?

“The thing that students love about FCT is the human touch. All the staff are very caring and always willing to help everyone in the school.”

STUDENT LIFE AT FCT

STUDENT LIFE

Student Clubs

Student clubs are a great way to meet new friends with similar interests, learn something new and enjoy activities outside of the classroom. Clubs include chess club, soccer club, movie club, and photography club.

Signature Events

Over 40 events are held on and off campus each semester, including orientation, festive parties, food events and trips to famous destinations like Niagara Falls.

Health & Wellness

Free, confidential, and easily accessible resources for your mental health and wellbeing. Book a support session with the Community Wellness Team to get directed to the right resources and services, including access to 24/7 support from experienced counsellors via chat or telephone - no appointment needed.

The Fleming Phoenix

Meet the Fleming Phoenix, our very own mascot, representing the students, staff and community.

A symbol of transformation and new life, the Phoenix overcomes obstacles by soaring to new heights. Like this fiery friend, our students ignite their inner strength with perseverance and determination to transform into the best version of themselves.

Watch for the Phoenix at upcoming events!

Student Living & Housing

Comprehensive housing support begins before you arrive in Ontario and continues throughout your studies. Our Housing Support Coordinator will help you find off-campus housing and with other housing-related matters through one-to-one meetings, Instagram Live sessions, and email.

Immigration Student Advising

Our team of International Student Advisors can help enrolled students with their student-related immigration questions through group immigration advising, drop-in sessions and one-to-one appointments. Advisors are Regulated International Student Immigration Advisors (RISIAs) or Regulated Canadian Immigration Consultants (RCICs).

ACADEMIC SUPPORT

Academic Advising

The Academic Advising team can help you create a plan to achieve academic success and better understand the college's academic system and policies. They also host events on building effective study habits, preparing for exams, understanding academic integrity, and more.

Tutoring

The academic department provides tutoring for English, math and accounting. Tutors can help you understand course content, breakdown an assignment for better delivery, improve grades and practice foundational concepts.

Library Services

Library staff provide resources, services, and space to support you in your learning, research and assignment completion. They can help you develop a research strategy, evaluate quality information, create proper citations, and more.

Accessibility Services

An Accessibility Counsellor will determine whether you might be entitled to academic accommodations, such as extra time for tests and assignments or alternative arrangements for in-class presentations. They are committed to working with all students to ensure access and meaningful participation in every classroom.

CAREER SERVICES

Get the guidance and motivation you need to succeed on your career journey in Canada.

How Can Career Services Help You?

- Career Counselling
- Job Search Support
- Resume and Cover Letter Assistance
- Mock Interviews
- Workshops and Seminars
- Career Fairs
- Networking
- Career Assessments
- Professional Development Resources

Workshops, Events & Guest Speakers

Join weekly career workshops to prepare you for the workplace, including events with expert guest speakers. Topics include using LinkedIn, conflict resolution, job interview prep and more. Each semester, attend mini job fairs and a larger career fair on campus to start the path to connect with employers and build your network.

“Career services helped me revise my resume which led to a job offer at the career fair on campus.”
